

## NEWS RELEASE

SB: TSX Venture Exchange

Issued: 65,045,111 shares

### PROPERTY OPTION SHARE ISSUANCES

**Calgary, July 26, 2011 - Stratabound Minerals Corp. (TSX.V:SB)** announces that pursuant to property option agreements entered into in 2010, the Company will issue 150,000 shares at a deemed price of \$0.10, subject to regulatory approval.

#### Commander Option, New Brunswick

In 2010 Stratabound Minerals Corp. entered into an option agreement with Commander Resources Ltd. whereby Stratabound can acquire up to a 65% interest in an 800 hectare (1,977 acre) claim group immediately adjoining the northern boundary of Stratabound's 100%-owned CNE, Captain, and Captain East claims in New Brunswick's Bathurst Mining Camp. Details were issued in a News Release dated July 29, 2010.

Under the terms of the option agreement, Stratabound issued 50,000 common shares to Commander and spent over \$150,000 on exploration during the first year, including 1,064 metres of diamond drilling. Subject to regulatory approval, Stratabound will issue an additional 100,000 common shares at a deemed price of \$0.10 per share and spend at least \$200,000 on exploration during the second year.

#### Gemini Hills, Quebec

In 2010 Stratabound Minerals Corp. entered into an agreement to option a 16-claim (519 hectare) gold prospect in the Gemini Hills area of Berry Township, Québec, near the village of Saint-Gérard-de-Berry, about 90 kilometres north-northwest of Val-d'Or, the details of which were issued in a News Release dated September 7, 2010.

The terms of the agreement allow Stratabound to acquire a 100% interest in the Gemini Hills claims, subject to a 1.5% net smelter return royalty on any production. The purchase price was 50,000 Stratabound shares payable in September 2010 at a deemed price of \$0.08 per share, plus 50,000 shares payable on or before August 3, 2011, at a deemed price of then-current market price less allowable discount

Pursuant to the terms of the agreement, Stratabound will issue 50,000 shares at a deemed price of \$0.10 per share, subject to regulatory approval.

#### About Stratabound Minerals Corp.

Stratabound is a Canadian natural resources company exploring and developing gold and base metal properties in eastern Canada. It is currently focused on building a resource base in the infrastructure-rich Bathurst Mining District of northern New Brunswick and on exploring new properties that present significant opportunities for near-term mineral discovery in New Brunswick and Quebec.
