**1. CORPORATE INFORMATION**

Stratabound Minerals Corp.'s business activity is the exploration and evaluation of mineral properties in Canada. Stratabound Minerals Corp. (the "Company") was incorporated under the Canada Business Corporations Act on March 5, 1986, and has continued as a company under the Business Corporations Act of Alberta. The Company is listed on the TSX Venture Exchange, having the symbol TSX.V: SB, as a Tier 2 mining issuer and is in the process of exploring its mineral properties in the province of New Brunswick.

The business of exploring for mineral resources involves a high degree of risk and there can be no assurance that the Company's exploration programs will result in profitable operations. The Company's ability to meet its obligations arising from exploration activity and normal business operations is dependent upon the existence of economically recoverable reserves, the ability of the Company to obtain financing, and future profitable production or proceeds from the disposition of its properties. The Company will periodically have to raise funds to continue operations and, although it has been successful in doing so in the past, there is no assurance it will be able to do so in the future.

The address of the Company's registered office is 3700, 400 Third Avenue SW, Calgary, Alberta T2P 4H2.

These condensed interim financial statements were authorized for issue by the Board of Directors on September 12, 2015.

**2. BASIS OF PRESENTATION**

These condensed interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") applicable to the preparation of interim financial statements, including IAS 34 *Interim Financial Reporting*. These condensed interim financial statements should be read in conjunction with the annual financial statements for the year ended December 31, 2014, which have been prepared in accordance with IFRS as issued by the IASB.

**12. SHARE CAPITAL (CONTINUED)**

**d) Nature and purpose of equity and reserves**

The reserves recorded in equity on the Company's Interim statement of financial position included 'Contributed Surplus,' Accumulated Other Comprehensive Income,' and 'Deficit.'

Contributed surplus is used to recognize the value of stock option grants and share warrants prior to exercise. Any proceeds received prior to the issuance of shares will be recorded as contributed surplus until the shares are issued, at which time the amount will be recognized as share capital.

Accumulated Other Comprehensive Income is an available-for-sale reserve. This reserve is used to recognize fair value changes on available-for-sale investments.

Deficit is used to record the Company's change in deficit from its income or losses from period to period.
