

STRATABOUND ANNOUNCES APPOINTMENTS TO BOARD OF DIRECTORS AND FINANCINGS

Toronto, October 18, 2021 – Stratabound Minerals Corp. (TSXV:SB, OTCQB:SBMIF) (“Stratabound” or the “Company”) is pleased to announce that Mr. Scott Rasenberg and Mr. Ron Tomlinson have been appointed to the Board of Directors of Stratabound Minerals Corp.

Mr. Scott Rasenberg, CPA, CA is the President of Rasenberg-Group Limited. In this role Mr. Rasenberg provides innovative tax solutions to a broad range of clients, including private and public corporations, partnerships, trusts, and individuals (residents and non-residents of Canada). His experience includes international and domestic tax structures, reorganizations, tax appeals and compliance, acquisitions, mergers and divestitures in a diversity of sectors including manufacturing, retail, transportation, financial and investment services, real estate, mining, agribusiness and a diverse range of service industries. During his career Mr. Rasenberg has managed administration and implementation of company-wide programs for approximately 450 employees and been responsible for significant procurements, treasury and capital asset management. Mr. Rasenberg is the former Chairman of the Board of California Gold Mining Inc. and the former Vice-President Finance & Administration of J.M.R. Electric Ltd.

As CEO of the Tomlinson Group, Mr. Ron Tomlinson has over 35 years of experience in construction materials, infrastructure, environmental services, and aggregates. He has executive-level expertise in management, strategic acquisitions, real estate holdings, partnership and operations. The Tomlinson Group has been producing quality aggregates for more than 40 years and has 25 licensed pits and quarries situated through Eastern & Northern Ontario as well as providing environmental services, waste recovery processing and leading technology in waste to organic fertilizer and recycling. Mr. Tomlinson led this evolution through organic growth and by acquisitions of business that vertically integrate into the core lines of business. The company has grown geographically expanding across Ontario and into the US markets.

Mr. Hashim Ahmed, Chairman of the Company stated, “We are extremely pleased to welcome both Mr. Rasenberg and Mr. Tomlinson to the Board of Stratabound. Both gentlemen bring a depth of experience in infrastructure, environmental, construction operations and broad corporate business acumen that compliments the Company’s existing strengths in mineral exploration, mine development and operations.”

The Company will pay qualified finders fees of 6% in cash.

ABOUT STRATABOUND

Stratabound Minerals Corp. is a Canadian mineral exploration and development company that is developing its advanced-stage flagship Fremont Gold Project in the Mother Lode Gold Belt of California. The Project includes the historic, contiguous Pine Tree and Josephine high-grade underground gold mines that closed due to the advent of WWII and never reopened. The Pine Tree/Josephine Deposit, encompassing both historical mines, now has an NI 43-101 Mineral Resource estimate of 526,000 ounces at an average grade of 1.60 g/t Au in the Indicated, plus 452,000 ounces at an average grade of 1.29 g/t Au in the Inferred Mineral Resource categories respectively. Additionally, Fremont hosts three undeveloped gold occurrences across four kilometres of strike along the prolific Mother Lode Gold Belt. (See Stratabound press release of Oct. 15, 2021)

The Company is also advancing its pipeline of other early-stage gold exploration projects; the Golden Culvert, YT, McIntyre Brook, NB, and Dingman, ON, in Canada. Additionally, the Company also holds a significant land position that hosts three base metals deposits in the Bathurst base metals camp of New Brunswick featuring the Captain Copper-Cobalt-Gold Deposit that hosts a Measured and Indicated Resource prepared following CIM (2014) Definition Standards.
